8. The Senior Surgeon was informed in this office No 5764 dated the 29th Sept 1902 that Govt were not prepared to move in the matter of abolishing the Railway Inspection at Hariharpur as Sharbour and other places continued to be affected.

9. The Senior Surgeon, in his letter No 755/P dated 5th March 03, reports that the Inspection at the Hariharpur Railway Station is still being continued by an Hospital Assistant & a Midwife notwithstanding Govt order No 12763-76 dated 3.2.1902, discontinuing allowance to Medical officers doing plague duty, and recommends that as a special case the said Hospital Assistant & Midwife deserve special ~~consideration~~

~~consideration of the duty~~ be

granted an allowance of Rs. 15/- and Rs. 10/- per mensem, respectively as specified in first column by

Insp 7.21-26

B

Note- The Hon. Asst at Harihar is 1st class & thus he is entitled to an allowance of Rs 20/- + not Rs 15/-

in consideration of the additional work they are called upon to do in this connection, viz. being obliged to walk 4 miles every day to inspect 2 times.

Note- This was modified in Govt Pro: No 79 1772-4 of 26th May 1899 (Flag A).

The Senior Surgeon also states that if left to his choice, he would give them the allowances with retrospective effect.

Insp 10 9/3/03 The propriety of sanctioning the allowance ~~should~~ discontinued seems doubtful. The distance from the Local Fund Dispensary in which the Hospital Assts is employed to the Railway Station to which he has to go for inspection work is said to be one mile. Kilometres.

Plague seems now to be very bad in parts of the Bombay Presidency. The inspection required at Harihar must therefore in my opinion continue. The Dispensary at Haveri is distant from the Railway station. The Hospital Assistant and the midwife have to attend the station twice a day and do the additional work connected with the inspection. The allowances proposed are reasonable and may be sanctioned with effect from 1st January 1903.

Do the orders of 3rd August 98 & 3rd February 1900, apply not only to Medical officers employed solely on plague duty, but also to those who are employed on the same ordinary professional duties? I think the case of the latter deserves careful consideration.

The original papers relating to D & C might throw some light on the subject.

The allowances to Inspecting Medical Officers were prescribed in Govt Pro: No 1772 – 4 of 26th May 1899 × Flag A. & the order of 3rd Feby 1902 × Flag C says that the Special allowances hitherto granted to Medical Officers shall be discontinued from 1st Feby 1902.

The order which is general seems to apply to all allowances. The order of Aug. 98 must be held to have been modified by the later one of May 1899 for inspecting Officers, I think.

The Senior Surgeon Leeds has submitted to his recommendations regarding the grant of allowances to the Hospital Asst & the Midwife on inspection duty at Hamilton. Please see paras 9 of the office note and the remarks of the 2nd Councillor & the Governor 27th & 28th March 1903.

The inspection at the Railway Station at Hamilton was abolished with effect from the 15th October & the applic. apparently refers to arrears due up to that date.

No.

Dated 5th March 1903.

SIR,

I have the honor to state that the Inspection at the Harihar Railway Station is still going on, but the allowance granted to the Hospital Assistant and to the Midwife in consideration of the additional and hard work devolved on them, was discontinued from the 1st of February 1902 as per Government Proceedings No.12763-76/L.B.P.1421 dated 3rd February 1902. The Hospital Assistant now on inspection duty at Harihar has been doing his inspection work for the last two years without any extra remuneration. He has to inspect two trains, for which purpose, he has also to walk about 4 miles every day, that too in odd hours. His claim for the allowance could not have had my support if he was solely employed on Inspection duty.

Under these circumstances, I have the honor to request that you will be so good as to move the Government to treat this as a special case and to grant him as well as the midwife an allowance of Rs.15 and 10 respectively according to the scale once sanctioned by Government. If the grant of allowance is left to my choice I would give them the allowance with retrospective effect.

I have the honor to be,
Sir,
Your most obedient servant,

Lt.-Colonel I.M.S.,
Senior Surgeon and Sanitary Commissioner
Mysore Government.
